Management's Responsibility for the Consolidated Financial Statements

The accompanying consolidated financial statements of the City of Greater Sudbury (the "City") are the responsibility of the City's management and have been prepared in compliance with legislation, and in accordance with generally accepted accounting principles for local governments established by the Public Sector Accounting Board of The Canadian Institute of Chartered Accountants. A summary of the significant accounting policies are described in Note 1 to the consolidated financial statements. The preparation of financial statements necessarily involves the use of estimates based on management's judgement, particularly when transactions affecting the current accounting period cannot be finalized with certainty until future periods.

The City's management maintains a system of internal controls designed to provide reasonable assurance that assets are safeguarded, transactions are properly authorized and recorded in compliance with legislative and regulatory requirements, and reliable financial information is available on a timely basis for preparation of the consolidated financial statements. These systems are monitored and evaluated by Management.

Council meets with Management and the external auditors to review the consolidated financial statements and discuss any significant financial reporting or internal control matters prior to their approval of the consolidated financial statements.

The consolidated financial statements have been audited by PricewaterhouseCoopers LLP, independent external auditors appointed by the City. The accompanying Auditors' Report outlines their responsibilities, the scope of their examination and their opinion on the City's consolidated financial statements.

Independent Auditor's Report

To the Members of Council, Inhabitants and Ratepayers of the City of Greater Sudbury

We have audited the accompanying consolidated financial statements of the City of Greater Sudbury, which comprise the consolidated statement of financial position as at December 31, 2011 and the consolidated statement of operations and accumulated surplus, changes in net financial assets and cash flows for the year then ended, and the related notes, which comprise a summary of significant accounting policies and other explanatory information.

Management's responsibility for the consolidated financial statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained in our audit is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of the City of Greater Sudbury as at December 31, 2011 and the results of its operations, changes in its net financial assets and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Other matters

Without modifying our opinion, we draw attention to Note 2 to the consolidated financial statements which explain that certain comparative information for the year ended and as at December 31, 2010 has been restated. The consolidated financial statements as at December 31, 2010 and for the year then ended, prior to restatement of the comparative information, were audited by other auditors who expressed an unmodified opinion on those consolidated financial statements on June 29, 2011.

The accompanying financial statements schedules as at and for the year ended December 31, 2011 are presented as supplementary information only and are not a required part of the basic consolidated financial statements. The information in these schedules has been subject to audit procedures only to the extent necessary to express an opinion on the consolidated financial statements of the City of Greater Sudbury.

CITY OF GREATER SUDBURY

Notes to Consolidated Financial Statements
(in thousands of dollars)
Year ended December 31, 2011

The City of Greater Sudbury is a municipality in the Province of Ontario, Canada. It conducts its operations guided by the provisions of provincial statutes including the Municipal Act 2001, Provincial Offences Act and other related legislation.

1. Significant accounting policies:

The consolidated financial statements of the City of Greater Sudbury (the "City") are prepared by management in accordance with Canadian generally accepted accounting principles established by the Public Sector Accounting Board (PSAB) of the Canadian Institute of Chartered Accountants. Significant aspects of the accounting policies adopted by the City are as follows:

(a) Reporting entity:

(i) Consolidated Entities:

These consolidated financial statements reflect the assets, liabilities, revenues and expenses of the reporting entity. The reporting entity is comprised of all organizations, committees and local boards accountable for the administration of their financial affairs and resources to the City and which are owned or controlled by the City. These boards, organizations and entities include:

Greater Sudbury Housing Corporation
Greater Sudbury Police Services Board
Downtown Sudbury
Flour Mill Business Improvement Area
Greater Sudbury Public Library Board

All interdepartmental and inter-organizational assets and liabilities and revenue and expenses have been eliminated.

(ii) Related Entities:

These consolidated financial statements do not reflect the assets, liabilities, sources of financing, expenses and the activities of the following boards, organizations and entities which are not under the control of Council:

Nickel District Conservation Authority
Sudbury & District Health Unit
City of Greater Sudbury Community Development Corporation

1. Significant accounting policies (continued):

(a) Reporting entity (continued):

(ii) Related Entities (continued):

The following contributions were made by the City to these entities:

	2011	2010
Nickel District Conservation Authority	\$ 584	554
Sudbury & District Health Unit	5,490	5,373
City of Greater Sudbury Community Development Corporation	1,405	887
	\$ 7,479	6,814

(iii) Investment in Government Business Enterprises:

Government Business Enterprises comprised of the Greater Sudbury Utilities Inc./Services Publics du Grand Sudbury Inc. ("GSU"), and the Sudbury Airport Community Development Corporation ("SACDC"), are accounted for by the modified equity method.

Under the modified equity method, the business enterprise's accounting principles are not adjusted to conform with those of the City and inter-organization transactions and balances are not eliminated.

(iv) Accounting for School Board Transactions:

The taxation, other revenues, expenses, assets and liabilities of Le Conseil Scolaire de District Catholique du Nouvel-Ontario, Sudbury Catholic District School Board, Rainbow District School Board and Conseil Scolaire Du District Du Grand Nord De L'Ontario are not reflected in these consolidated financial statements.

(b) Revenue recognition:

Government Transfers:

Government transfers are transfers from senior levels of government that are not the result of an exchange transaction and are not expected to be repaid in the future. Government transfers are recognized in the fiscal year in which events giving rise to the transfer occur, providing the transfers are authorized, eligibility criteria have been met and reasonable estimates of the amounts can be made.

1. Significant accounting policies (continued):

(b) Revenue recognition (continued):

Taxation and related revenues:

Annually, the City bills and collects property tax revenues for municipal purposes as well as provincial education taxes on behalf of the Province of Ontario (the "Province") for education purposes. The authority to levy and collect property taxes is established under the Municipal Act, 2001, the Assessment Act, the Education Act, and other legislation.

The amount of the total annual property tax levy is determined each year through Council's approval of the annual operating budget. Municipal tax rates are set annually by Council for each class or type of property, in accordance with legislation and Council approved policies, in order to raise the revenues required to meet operating budget requirements. Education taxes are established by the Province each year in order to fund the cost of education on a Province wide basis.

Property assessments, on which property taxes are based, are established by the Municipal Property Assessment Corporation (MPAC), a not-for-profit corporation funded by all of Ontario's Municipalities. The current value assessment (CVA) of a property represents an estimated market value of a property as of a fixed date. Assessed values for all properties within the municipality are provided to the City in the returned assessment roll in December of each year.

The amount of property tax levied on an individual property is the product of the CVA of the property (assessed by MPAC) and the tax rate for the class (approved by Council), together with any adjustments that reflect Council approved mitigation or other tax policy measures, rebate programs, etc.

Property taxes are billed by the City twice annually. The interim billing, issued in February is based on approximately 50% of the total property taxes in the previous year, and provides for the cash requirements of the City for the initial part of the year prior to Council's approval of the final operating budget and the approved property tax levy for the year. Final bills are issued in May, following Council's approval of the operating budget for the year, the total property tax levy, and the property tax rates needed to fund the City's operations.

Taxation revenues are recorded at the time tax billings are issued. Additional property tax revenue can be added throughout the year, related to new properties that become occupied, or that become subject to property tax, after the return of the annual assessment roll used for billing purposes. The City may receive up to four supplementary assessment rolls over the course of the year from MPAC, identifying new or omitted assessments. Property taxes for these supplementary and/or omitted amounts are then billed according to the approved tax rate for the property class and on the supplementary/omitted due dates approved by Council.

1. Significant accounting policies (continued):

(b) Revenue recognition (continued):

Taxation and related revenues (continued):

Taxation revenues in any year may also be reduced by reductions in assessment values resulting from assessment and/or property tax appeals. Each year, an amount is identified within the annual operating budget to cover the estimated amount of revenue loss attributable to assessment appeals, tax appeals or other deficiencies in tax revenues (i.e. uncollectible amounts, write offs, etc.)

In the City of Greater Sudbury, annual property tax increases for properties within the commercial, industrial and multi-residential tax classes have been subject to limitations on the maximum allowable year-over-year increase since 1998, in order to mitigate dramatic tax increases due to changes in assessed values.

User Charges:

User charges relate to transit fees, utility charges (water, wastewater and solid waste), licensing fees, fees for use of various programs, and fees imposed based on specific activities. Revenue is recognized when the activity is performed or when the services are rendered.

Fines and Penalties:

Fines and penalties revenue is primarily generated from the Provincial Offences Administration (POA) office.

The POA is a procedural law for administering and prosecuting provincial offences, including those committed under the Highway Traffic Act, Compulsory Automobile Insurance Act, Trespass to Property Act, Liquor License Act, Municipal By-Laws and minor federal offences. The POA governs all aspects of legal process from serving notice to a defendant, to conducting trials, including sentencing and appeals.

Balances arising from operation of the POA office have been consolidated with these financial statements. The City cannot reliably estimate the collections of this revenue, accordingly, revenue is recognized on the cash basis.

Other revenue:

Other revenues are recognized in the year that the events giving rise to the revenues occur and the revenues are earned. Amounts received which relate to revenues that will be earned in a subsequent year, are deferred and reported as liabilities.

(c) Expenses:

Expenses are recognized in the year that the events giving rise to the expenses occur and there is a legal or constructive obligation to pay.

CITY OF GREATER SUDBURY

Notes to Consolidated Financial Statements
(in thousands of dollars)
Year ended December 31, 2011

1. Significant accounting policies (continued):

(d) Investments:

Investments are recorded at cost less any amounts written off to reflect a permanent decline in value.

Investment income is reported as revenue in the period earned. Investment income earned on reserve funds that are set aside for specific purposes by legislation, regulation or agreement, is added to the fund balance and forms part of the respective deferred revenue balances.

(e) Inventory held for resale:

Inventory held for resale consisting of surplus land and cemetery plots, is recorded at the lower of cost and net realizable value. Cost includes amounts for improvements to prepare the land for sale or servicing.

(f) Pensions and Employee Benefits:

The City makes contributions to the Ontario Municipal Employees' Retirement System plan (OMERS), a multi-employer pension plan, on behalf of most of its employees. The plan is a defined benefit plan that specifies the amount of the retirement benefit to be received by the employees based on length of service and rates of pay. Employees and employers contribute jointly to the plan.

Because OMERS is a multi-employer pension plan, the City does not recognize any share of the pension plan deficit, as this is a joint responsibility of all Ontario municipalities and their employees. Employer's contributions for current and past service are included as an expenditure on the consolidated statement of operations and accumulated surplus.

Vacation entitlements are accrued for as entitlements are earned.

Sick leave benefits are accrued when they are vested and subject to pay out when an employee leaves the City's employ.

Other post-employment benefits are accrued in accordance with the projected benefit method prorated on service and management's best estimate of salary escalation and retirement ages of employees. The discount rate used to determine the accrued benefit obligation was determined by reference to market interest rates at the measurement date on high-quality debt instruments with cash flows that match the timing and amount of expected benefit payments.

Actuarial gains (losses) on the accrued benefit obligation arise from the difference between actual and expected experiences and from changes in actuarial assumptions used to determine the accrued benefit obligation. These gains (losses) are amortized over the average remaining service period of active employees.

1. Significant accounting policies (continued):

(g) Deferred Revenue - Obligatory Reserve Funds:

The City receives certain sub-divider contributions and other revenues under the authority of federal and provincial legislation and City by-laws. These funds, by their nature, are restricted in their use and, until applied to specific expenses, are recorded as deferred revenue. Amounts applied to qualifying expenses are recorded as revenue in the fiscal period they are expended.

(h) Deferred Revenue – Other

The City receives certain amounts pursuant to funding agreements that may only be used in the conduct of certain programs or in the delivery of specific services and transactions. These amounts are recorded as deferred revenue and are recognized as revenue in the fiscal year the related expenses are incurred, services are performed or when stipulations are met.

(i) Non-financial assets:

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations.

(i) Tangible Capital Assets:

Tangible capital assets are recorded at cost which includes amounts that are directly attributable to the acquisition, construction, development or betterment of the asset. The cost, less residual value, of the tangible capital assets, excluding land and landfill sites, are amortized on a straight-line basis over their estimated useful lives as follows:

Asset	Useful Life - Years
General Capital:	
Landfill and land improvements	20 - 100 years
Buildings	15 - 60 years
Machinery, furniture and equipment	4- 30 years
Vehicles	2- 20 years
Infrastructure:	
Land improvements	50 years
Plants and facilities	10 - 60 years
Roads infrastructure	15 - 75 years
Water and wastewater infrastructure	40 - 100 years

Landfill sites are amortized using the units of production method based upon the capacity used during the year.

Amortization is charged from the date of acquisition to the date of disposal. Assets under construction are not amortized until the asset is put into service.

1. Significant accounting policies (continued):

(i) Non-financial assets (continued):

(ii) Contributions of tangible capital assets:

Tangible capital assets received as contributions are recorded at their fair value at the date of receipt and also are recorded as revenue.

(iii) Capital interest:

Interest is capitalized whenever external debt is issued to finance the construction of tangible capital assets.

(iv) Leased tangible capital assets:

Leases which transfer substantially all of the benefits and risks incidental to ownership of property are accounted for as leased tangible capital assets. All other leases are accounted for as operating leases and the related payments are charged to expenses as incurred.

(v) Inventory:

Inventories of supplies held for consumption are recorded at the lower of cost and replacement cost.

(vi) Tangible capital assets disclosed at nominal values:

Where an estimate of fair value could not be made or where there was no future benefit related to the asset, the tangible capital asset was recognized at a nominal value. Land, buildings and machinery and equipment are the categories where nominal values were assigned.

(vii) Works of art and historical treasures:

The City manages and controls various works of art and non-operational historical cultural assets including buildings, artifacts, paintings and sculptures located at City sites and public display areas. These assets are not recorded as tangible capital assets and are not amortized.

(j) Landfill closure and post closure liability:

The costs to close existing landfill sites and to maintain closed solid waste landfill sites are based on estimated future expenditures in perpetuity in current dollars, adjusted for estimated inflation. The estimated liability for active sites is recognized as the landfills site capacity is used. These costs are reported as a liability on the consolidated statement of financial position.

CITY OF GREATER SUDBURY

1. Significant accounting policies (continued):

(k) Use of estimates:

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the dates of the financial statements and the reported amounts of revenue and expenses during the reporting periods.

Significant items subject to such estimates and assumptions include valuation allowances for taxes receivable, accounts receivable, solid waste management facility liability and post-employment benefits. These estimates are reviewed periodically, and, as adjustments become necessary, they are reported in earnings in the year in which they become known.

In addition, the City's implementation of the Public Sector Accounting Handbook PS 3150 in 2009 has required management to make estimates of historical cost and useful lives of tangible capital assets.

Actual results could differ from these estimates.

2. Restatement of Prior Period Consolidated Financial Statements

During the year, a review of the Landfill Closure and Post-Closure Care Liability report was undertaken and it was determined that the remaining site life calculation had been reported inaccurately which resulted in an overstatement of the solid waste management facility liability.

This change is being accounted for on a retroactive basis, with prior period restatement, in accordance with PS 2120 of the Public Sector Accounting Handbook.

The impact of this change is as follows:

Consolidated Statement of Financial Position

	2010 (as reported)	2010 (as restated)	Change
Solid waste management facility liability	\$ 14,106	\$ 11,816	\$ (2,290)

3. Investment in Government Business Enterprises:

The Sudbury Airport Community Development Corporation (SACDC) and Greater Sudbury Utilities Inc. (GSU) are owned and controlled by the City of Greater Sudbury. These corporations are business enterprises of the City and are accounted for on a modified equity basis in these consolidated financial statements.

(a) The following table provides condensed supplementary financial information for the year ending December 31, 2011:

5. Employee benefit obligations (continued):

The City has established reserve funds in the amount of \$7,782 (2010 - \$7,113) to mitigate the future impact of these obligations.

The City is a Schedule 2 employer under the provisions of the Workplace Safety and Insurance Board Act, and as such, remits payments to the WSIB as required to fund disability payments.

Accumulated sick leave benefits accrue to certain employees of the City and are paid out either on approved retirement or upon termination or death.

Other post-employment benefits represent the City's share of the cost to provide certain employees with extended benefits upon early retirement.

The following table sets out the results as determined by the actuarial valuation completed for the year ended December 31, 2009 and extrapolated to December 31, 2011 for each of the plans.

	WSIB	Sick Leave	Other Post-Employment Benefits	2011 Total	2010 Total
Accrued benefit liability, beginning of year	\$ 3,136	5,723	27,130	35,989	36,218

5. Employee benefit obligations (continued):

The actuarial valuations of the plans were based upon a number of assumptions about future events, which reflect management's best estimates. The following represents the more significant assumptions made:

	WSIB	Sick Leave	Other Post-Employment Benefits
Expected inflation rate	2.5%	2.5%	2.5%
Expected level of salary increases	N/A	2.3%	2.3%
Discount rate	5%	5%	5%

For other post employment benefits, as at December 31, 2011, the initial health care trend rate is 8.29% (2010 – 8.51%) and the ultimate trend rate is 4.5% (2010 – 4.5%) which is expected to be reached in 2029 (2010 – 2029).

6. Deferred revenue - obligatory reserve funds:

The balances in deferred revenue - obligatory reserve funds consist of:

	2011	2010
Sub-divider contributions	\$ 7,529	8,659
Development Charges Act	497	393
Recreational Land (The Planning Act)	674	837
Gasoline Tax - Province	376	864

Building Permit Revenues (Bill 124)	7,861	7,427
Canada Transit Funding (Bill C-48)	-	1,224
	\$ 27,106	30,359

7. Solid waste management facility liability:

The Environmental Protection Act sets out the regulatory requirements to properly close and maintain all active and inactive landfill sites. Under environmental law, there is a requirement for closure and post-closure care of solid waste landfill sites. This requirement is to be provided for over the estimated remaining life of the landfill site based on usage.

Solid waste closure and post-closure care requirements have been defined in accordance with industry standards and include final covering and landscaping of the landfill, pumping of ground water and leachates from the site, and ongoing environmental monitoring, site inspection and maintenance. The reported liability, which is prepared by an engineering firm, is based on estimates and assumptions with respect to events extending over a twenty-five year period using the best information available to management. Future events may result in significant changes to the estimated total expenses; capacity used or total capacity, useful life and the estimated liability, and would be recognized prospectively, as a change in estimate, when applicable.

CITY OF GREATER SUDBURY

7. Solid waste management facility liability (continued):

The City has three active and three inactive landfill sites. Estimated total expenses for these six sites represent the sum of the discounted future cash flows for closure and post-closure care activities discounted using an average borrowing rate of 5% (2010 - 5%) minus an inflation rate of 1.87% (2010 - 1.90%) (10-year average of CPI from 2002 to 2011). The estimated total landfill closure and post-closure care expenses are calculated to be \$19,384 (2010 - \$20,898). The estimated liability for the active sites is recognized as the landfill site's capacity is used. At December 31, 2011 an amount of \$11,153 (2010 - \$11,816) with respect to landfill closure and post-closure liabilities has been accrued.

Active sites:

The estimated remaining capacity of the Sudbury landfill site is 53% (4,113,000 cubic meters) (2010 - 54%) of its total estimated capacity and its estimated remaining life is 37 years (2010 - 31 years), after which the period for post-closure care is estimated to be 25 years.

The estimated remaining capacity of the Valley East landfill site is 37% (735,000 cubic meters) (2010 - 38%) of its total estimated capacity and its estimated remaining life is 24 years (2010 - 25 years), after which the period for post-closure care is estimated to be 25 years.

The estimated remaining capacity of the Rayside-Balfour landfill site is 55% (809,000 cubic meters) (2010 - 59%) of its total estimated capacity and its estimated remaining life is 24 years (2010 - 21 years), after which the period for post-closure care is estimated to be 25 years.

8. Long-term liabilities:

(a) Long-term liabilities reported on the consolidated statement of financial position consist of the following:

17. Segmented disclosure:

The City of Greater Sudbury is a diversified municipal government institution that provides a wide range of services to more than 160,000 citizens. Services include water, roads, fire, police, emergency medical services, waste management, public transit, recreation programs, economic development, land use planning and health and social services. For management reporting purposes the Government's operations and activities are organized and reported by Fund. Funds were created for the purpose of recording specific activities to attain certain objectives in accordance with special regulations, restrictions or limitations.

City services are provided by departments and their activities are reported in these funds. Certain departments have been separately disclosed in the segmented information, along with the services they provide, and are as follows:

General Government

General Government consists of Office of the Mayor, Council expenses, Administrative Services (including Clerks, Elections, Communications, Legal and Information Technology Services), Human Resources and Financial Departments. Areas within the General Government respond to the needs of external and internal clients by providing high quality, supportive and responsive services. This area supports the operating departments in implementing priorities of Council and provides strategic leadership on issues, relating to governance, strategic planning and service delivery.

Transportation Services

This area is responsible for management of Roadways including traffic and winter control, Transit services, and the administration and operation of City-owned parking lots. This section also provides employee services to the Sudbury Airport Community Development Corporation.

17. Segmented disclosure (continued):

Protection Services

This section consists of Fire, Police, contribution to the Nickel District Conservation Authority, Animal Control, Building Services, Emergency measures and management of Provincial Offences Act. Police Services ensure the safety of the lives and property of citizens; preserve peace and order; prevent crimes from occurring; detect offenders and enforce the law. Fire Services is responsible to provide fire suppression service; fire prevention programs; training and education related to prevention, detection and extinguishment of fires. The Building Services Division processes permit applications and ensure compliance with the Ontario Building Code and with By-Laws enacted by Council.

Environmental Services

In addition to the management of Waterworks, Sanitary and Storm Sewer systems, this area is responsible for Waste Collection, Waste Disposal and Recycling facilities and programs. This section is responsible for providing clean, potable water meeting all regulatory requirements and responsible for repairing breaks and leaks in the water and sewer system. This section produces quality effluents meeting regulatory requirements and minimizing environmental degradation.

Health and Social Services

This section consists of Ambulance Services, Social Services including Housing Services, Childcare, Assistance to aged persons, Cemetery Services as well as the City's contribution to the Health Unit and Hospital. The Social Services division is responsible for the administration and delivery of the Ontario Works Act. Ontario Works is an employment based, provincially mandated program, cost-shared with the Ministry of Community and Social Services. To enable low-income families to pursue employment and educational opportunities, Children Services deliver child care services and assist with costs of child care via the provision of subsidies. Pioneer Manor is a Long-Term Care facility providing 24-hour care and services to 433 residents. Housing services reflects the cost of administering and delivering social housing programs downloaded from the Province.

Recreation and Cultural Services

This section provides public services that contribute to neighbourhood development and sustainability through the provision of recreation and leisure services such as fitness and aquatic programs and provides management of arenas and leisure facilities. This section also contributes to the information needs of the City's citizens through the provision of library and cultural services and by preserving local history and managing archived data.
